

**SEWER LATERAL ESCROW AGREEMENT
PERTAINING TO DEFECTS**

This Agreement is made this _____ day of _____, 20____ between _____
_____(Seller(s)), and _____
_____(Buyer(s)), and the Borough of Fox Chapel, Allegheny
County, Pennsylvania (**Borough**).

BACKGROUND

- A. The Borough has enacted Ordinance 510, which establishes the requirement for certification of sanitary sewer status prior to the sale of real estate.
- B. Seller(s) and Buyer(s) have entered into an Agreement of Sale for the property located at _____ in the Borough of Fox Chapel (the "Property").
- C. The required testing has disclosed an illegal storm or surface water connection or malfunctioning drainage system, more particularly described as follows:
_____.
- D. The necessary remedial activities to correct said defects will require a length of time that creates a practical hardship for Seller(s) and Buyer(s).
- E. Pursuant to Ordinance 510, Seller(s) has (have) applied for a Temporary Document of Certification.

NOW, THEREFORE, the parties hereto, intending to be legally bound, agree as follows:

- 1. Attached hereto is a proposal from _____, a registered, licensed plumber ("Plumber") to complete the necessary work to repair the defects (the "Work").
- 2. Attached hereto is security in the amount of _____ (\$_____) which is hereby provided to the Borough to guarantee that the Work will be performed.
- 3. The Work shall be performed as soon as reasonably possible and in no event later than fourteen (14) days from the date written notice is sent from the Borough to the Buyer(s). **The Buyer(s) agree(s) that they will pay a fine to the Borough of \$100 per day for each day that the work is not completed within said fourteen (14) day period.**
- 4. Any defects in the sewer or violations of any laws or ordinances including those referenced in Paragraph C and in Paragraph 1 shall be corrected at Buyer's(s)' expense. The Buyer(s) shall be responsible for any cost overruns relating to the remedial work. If the Plumber or the Buyer(s) fail(s) to so correct any defects or violations within a reasonable time, the Borough, or such person as the Borough may designate, may enter on the Property and correct the defects or violations at Buyer(s)' expense. In such an event, the Borough may retain the security listed in Paragraph 2 to offset any expenses it may have. It is hereby agreed and acknowledged that any such defect or violation would constitute a nuisance and a municipal claim, as such term is defined in 53 P.S. §7101 et seq., thereby permitting the Borough to file a municipal claim and lien for any work done to correct any defects or violations.

- 5. Once the Plumber corrects the defects to the reasonable satisfaction of the Borough, the security posted with the Borough pursuant to Paragraph 2 shall be paid to the Plumber unless otherwise directed by the party posting said security. In no circumstances shall said security be refunded to the party posting the security without verification that the Plumber has been paid.
- 6. The Borough generally pays the escrow amount directly to the plumber who has submitted the proposal to correct defect(s) found during the dye testing procedure (see Paragraph 5 above). In the event that the actual cost of the work is less than the amount in escrow, the Borough is directed to refund the balance to:

- 7. It is intended that the obligation to repair the defects or violations run with the land, and Buyer(s) and Seller(s) acknowledge that this obligation binds themselves and their respective heirs and assigns.
- 8. The rights and remedies listed herein are cumulative and in addition to any others available under applicable law.
- 9. This Agreement cannot be changed by any party.**
