

The Borough bins will be open Saturday and Sunday from 10 AM – 4 PM. Please have your driver's license available - ID will be checked at the gate. Residents must accompany a contracted hauler. Standard bin rules will apply. Bulk items are accepted at the bins but food waste and building materials are not. The Borough will accept storm-damaged carpet from Borough residents at the rubbish bins the weekend of July 14 & 15 and July 21 & 22. The Borough garbage contract with Vogel Disposal provides unlimited trash collection at the residence – there is no limit of the number of bags for collection (bag weight limit 45 lbs.). The contract also provides for the collection of any bulk item up to 45 lbs. There may be items brought to the bins that can be picked up with the weekly garbage collection. The Borough anticipates heavy traffic this weekend at the bins. Your anticipated patience and cooperation is appreciated.
